## L Shaped Desk Set With Hutch Executive CEO Manager Desk Modern

## product type

### INTERO | Executive desk By Febrü

Type Executive desk with shelves

Intero – award winning desk for design lovers | Clear shapes in an overall concept benchmark the award winning design desk Intero. The unique frame makes the desk a special highlight in the office world. With the contrast of ease and stability Intero convinces by modern design and reliability in a new way. Lightness and trust in unity. The core unit is the open frame. Reduced to a minimum the structure is nothing more than a slim and closing line. In contrast there is the carcass – compact and stable but also expressing lightness. Impressing in shape and hiding functional elements. The connecting top seems to be independent from the base.

## **Product Overview**

The Bristol Writing Desk was made to bring functionality and design together in one package. This desk has 2-small storage drawers and 1-larger drawer with hardware for hanging files. The open shelf is perfect to store a laptop. Being both compact and functional this desk was made to help organize your home office needs.
