Product Description

Product Description:

Natural Human Hair Wigs

Our natural human hair wigs are made of real human hair and offer the best quality you can find. The natural hair wigs can be bleached to create a lighter color. The wig also features an elastic band for a more comfortable fit. You can choose between lace front, full lace, and glueless cap construction for the perfect look. The parting options are middle, side, or three part for a natural look.

Our natural human hair wigs are perfect for those seeking natural, realistic looking hair. These wigs offer bleached knots for a more natural look, an elastic band for a comfortable fit, and various cap constructions for a perfect look. With parting options of middle, side, or three part, you can get the perfect look for any occasion.

Our natural human hair wigs are perfect for those seeking a natural look. With bleached knots, an elastic band, and various cap constructions, you can achieve the perfect, natural look. Choose between middle, side, or three part parting for a realistic look.

Applications:

Natural Human Hair Wigs

Natural human hair wigs look and feel natural and are available in a variety of colors, lengths, densities, textures and cap constructions. Natural wigs provide the most natural look and feel. Whether you're looking for a natural color wig, a blonde wig, a highlighted wig, an ombre wig or a combination of the above, natural human hair wigs have you covered.

Natural hair wigs come in a variety of lengths, from short to long. Depending on the look you're going for, you can choose between short, medium or long hair lengths.

Natural human hair wigs also come in a range of densities, from light to heavy. Whether you're looking for a light, natural feel or a more voluminous look, you can find the perfect density for your needs.

Natural human hair wigs come in a variety of textures as well, including straight, wavy and curly. Whether you're looking for a natural, relaxed look or a more textured, glamorous hairstyle, you can find the perfect texture for your needs.

Lastly, natural human hair wigs come in a range of cap constructions, from lace front to full lace to glueless. Depending on the look you're going for and the amount of customization you need, you can find the perfect cap construction for your needs.

FAQ:

Q1: What is natural human hair wig?

A1: Natural human hair wigs are wigs made of 100% natural human hair that has been collected from a single donor. They are the most realistic and natural looking wigs available on the market.

Q2: How long do natural human hair wigs last?

A2: It depends on how you care for it. With proper care, natural human hair wigs can last for several years.

Q3: Are natural human hair wigs easy to style?

A3: Yes, natural human hair wigs are very easy to style and can be styled using the same tools and products as you would use on your own hair.

Q4: What is the difference between human hair wigs and synthetic wigs?

A4: Human hair wigs are made from real human hair that has been collected from a single donor, while synthetic wigs are made from synthetic fibers that have been designed to look and feel like human hair.

Q5: Does wearing a natural human hair wig damage my real hair?

A5: No, wearing a natural human hair wig should not damage your real hair as long as you take proper care of the wig and use the right products for styling and maintenance.
