Product Description

Product Description:

Our Short Human Hair Wigs are perfect for those who are looking for a natural look with a comfortable fit. The average size cap construction is lightweight and offers a natural hairline. The bleached knots make for a more realistic and natural look. The 150% density gives you a full and voluminous look that will last you all day. For a secure fit, the wigs come with adjustable straps and combs that can be adjusted to your desired fit. The bleached knots prevent any damage to the hair strands and make the wig look more natural. With proper care and maintenance, these wigs are sure to last you a long time.
