Product Description

Product Description:

Clip-In Hair Extensions offers an easy and affordable way to add length and volume to your hair. Our clip-in hair pieces are designed to be comfortable and stylish, with a secure fit that won't slip or slide. The extensions are made from 100% human hair and can be curled, straightened, and styled to look and feel like your own hair. They can be easily clipped in and out in a matter of minutes, for a dramatic change in your look. Our Clip-In Hair Extensions come in a beautiful shade of blonde and can be dyed to match your existing hair color. They are heat resistant, so you can style them with heat tools, and are designed to last for 6-12 months with proper care.

Applications:

If you are looking for a fast and easy way to add length and volume to your hair, then the ELECLIFT CDD1015 Clip-On Hair Pieces are the perfect choice. These clip-on hair extensions are made from 100% human hair, and they are designed to give you a natural and realistic look. With just one application, you can achieve a longer, fuller, and more voluminous hairstyle. They are easy to apply and remove, so you can change up your look as often as you like. Plus, they won't damage your hair or scalp, making them a safe and reliable way to enhance your style. With a life of 6-12 months, these Clip-On Hair Pieces by ELECLIFT are sure to give you the look you want without having to commit to a permanent hairstyle.

The ELECLIFT CDD1015 Clip-On Hair Pieces have a straight texture, and they have been designed to be extremely lightweight and comfortable to wear. They can be easily styled and restyled, and they allow you to add as much or as little volume as you want. The natural color of the hair also makes them blend in with your own hair for a seamless look. Plus, they can be dyed, so you can create a unique style that is all your own.

The ELECLIFT CDD1015 Clip-On Hair Pieces are the perfect choice for anyone who wants to add length and volume to their hair without the hassle of having to commit to a permanent hairstyle. With their easy application, lightweight design, and natural look, they are sure to give you the look you want. Plus, they are safe and reliable, so you can use them with confidence.

Packing and Shipping:

Clip In Hair Extension Packaging and Shipping

Clip in hair extensions come packaged in a cardboard box. The box includes a plastic tray that holds the hair extensions securely. Inside the box is also a set of instructions on how to attach the extensions.

When shipping clip in hair extensions, the box should be wrapped in bubble wrap and placed in a larger box for extra protection. The box should be labeled with the customer's address and the words "Fragile: Handle With Care" should be clearly visible on the outside of the box.
