## Product Description

### Product Description:

Clip-In Hair Extensions are a great way to instantly transform your look. Our Clip-In Hair Pieces are made with high quality, high temperature fiber which is lightweight and comfortable to wear. They are available in a range of beautiful blonde colors and textures, from straight to wavy. These clip-in hair extensions are made with synthetic hair, which means they are not heat-resistant and cannot be restyled. These extensions are perfectly designed to look natural and blend seamlessly with your own hair, giving a beautiful finish. Clip-In Hair Extensions are a great way to change up your look and add length and volume without the need for any chemical treatments or permanent bonding.

### Applications:

Clip-On Hair Pieces are a must-have item for any fashion-savvy person, and ELECLIFT brand has the perfect solution with their CDD1015 model. This product, originating from China, has a life of 6-12 months, and a weight of 100g, making it comfortable and durable. The synthetic hair is not dyable, and is attached to your own hair with the clip-in attachment, providing a full head style. ELECLIFT Clip-On Hair Pieces is the perfect solution for achieving a stylish look while still maintaining ease and comfort.

### Packing and Shipping:

#### Packaging and Shipping

Clip in Hair Extension is professionally packaged and shipped with the utmost care. It is placed in a tamper-proof bubble wrap bag and then placed in a sturdy box for transit. The box is then securely taped and labelled for delivery.

We use a variety of shipping methods including overnight shipping, ground shipping, and international shipping. All products are shipped within 2 business days and shipping costs are calculated based on the customer's desired delivery speed.

### FAQ:

Q: What is Clip In Hair Extension?

A: Clip In Hair Extension is a type of hair extensions which is made of 100% human hair, and use clips to attach the hair to your natural hair, providing a secure and natural look. Brand Name: ELECLIFT, Model Number: CDD1015, Place of Origin: China.

Q: How do I apply Clip In Hair Extension?

A: Applying Clip In Hair Extension is relatively easy. Start by brushing your hair and then clipping in the hair extensions along your natural hairline. Make sure all clips are securely attached and then you are ready to go.

Q: How long do Clip In Hair Extension last?

A: Clip In Hair Extension can last approximately 3-6 months with proper care and maintenance. Avoid excessive heat, brushing and chemical treatments to ensure long-lasting use.

Q: How do I care for Clip In Hair Extension?

A: To ensure long-lasting use of Clip In Hair Extension, avoid excessive heat, brushing and chemical treatments. You should also wash your hair once a week and condition your hair regularly. Additionally, it is recommended to use a wide-tooth comb to detangle your hair.

Q: What is the brand and model of Clip In Hair Extension?

A: The brand of Clip In Hair Extension is ELECLIFT and the model number is CDD1015. It is also made of 100% human hair and has a Place of Origin from China.
